

Uploading Press Ready Ads to eProofs

Search for the required ad.

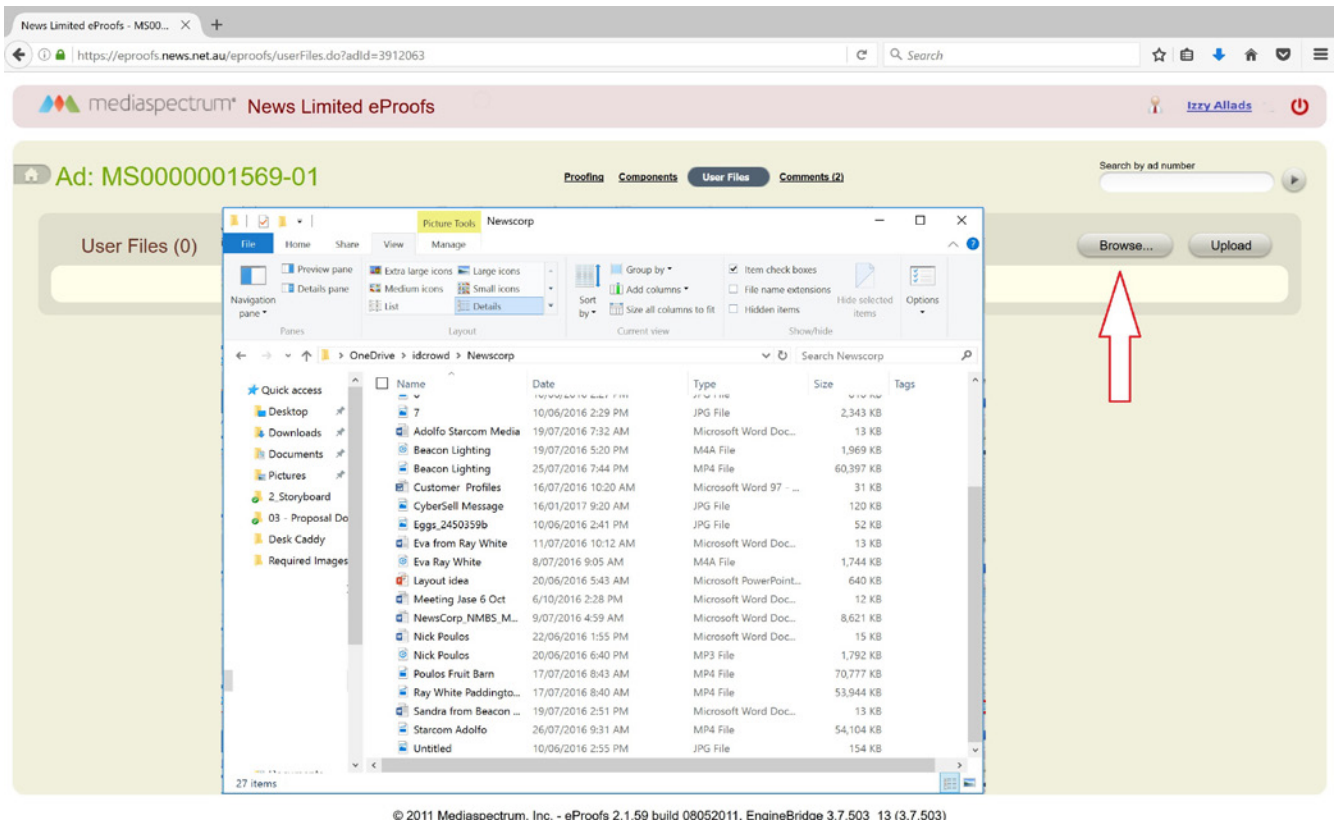

Click on the ad. A window will open.

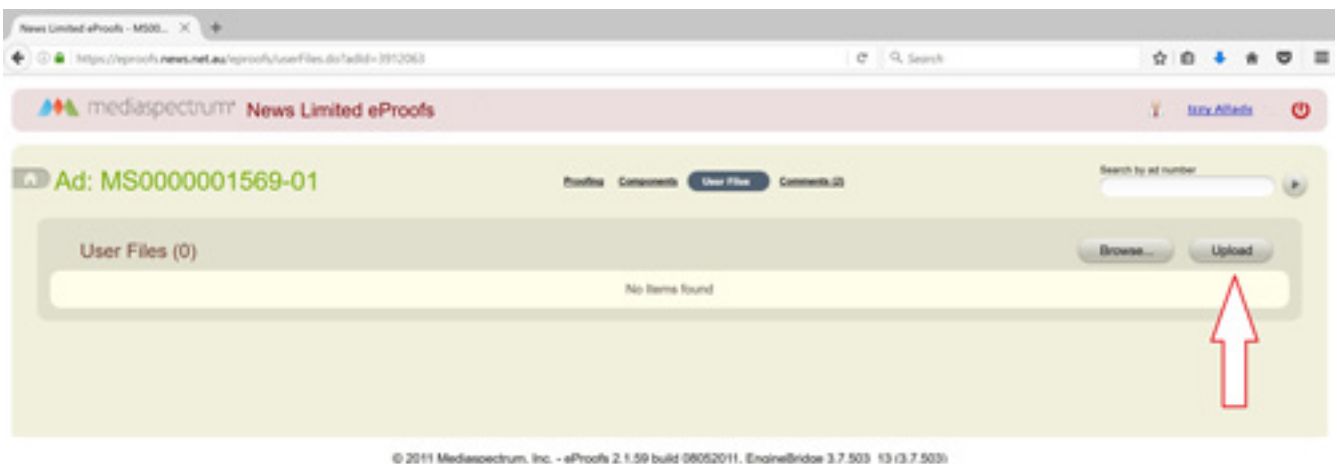

Within the Components tab select the Choose File button.

Navigate to where your press-ready PDF file is saved. Hit Open.

Once selected, click Upload Ad.

Try It Out!

- Search for an Ad by date (1 week). Click on Choose File, and select a PDF from your files. Stop at this stage, we don't want to really upload it!
